TAZOO CITY. Miss. Nov. 27. (Spiles A report of the county farm agent for the past fines mouths contains two very interesting facts with reference to the sagricultural and live stock development of the county. For the farmers and planters of the county, the county agent, with the assistance of the secretary of the Yazoo Commercial club, has ordered approximately \$75,000 werth of nitrate of sods fertilizer. And for the steckinen, farmers and planters of the county, the county agent and the commercial secretary have shipped co-operatively live slock to the value of 150,000. command of Col. mercial secretary have shipped co-ossystively live stock to the value of
\$50.000.

The live steek shipments have been
made despite the fact that a serious
shortage of cern is badly handicapping
local stock raisers, and in an effort to
partially relieve the attuation the county agent ordered co-operatively for Yszoo county stock raisers the first car
of corn from Oklahoma Saturday of
last week. W. R. Ritch, county agent,
maintains that the corn is being bought
in Oklahoma at a saving to local buyers of from 10 to 15 cents per bushel
over what the corn would cost anywhere in the North.

The users of the nitrate of soda fertilizer have rapidly increased in numher. A deposit has been made at a
local bank for all of that ordered and
it will be shipped in February or early
in Macch. The nitrate was bought by
the county agent for the Yazoo users
at a saving of approximately \$9 a ton
over prices which were obtained by
other counties. Three of the other
counties of the state bought the ferfilizer in a carload lot through the
Yazoo county agent and a fourth esunty bought five tons in the same way.

YAZOO CITY BUYS LOT FOR NEW SCHOOL

TAZOO CITY, Miss. Nov. 21. (Spl.) — A lot formerly owned by Mrs. Jennie V. Powell on Lantonia avenue was sold to the school board the past week by Mrs. Powell at \$100 less than she has been offered for it and paid for by public-spirited citizens that the white public spirited citizens that the white public of the Yaxoo City schools might have a suitable athletic field.

The lot fills a long-felt want admirably and the local schools have planned a censtant use of the field in the building of the reputation of the local schools from an athletic point of view. They promise athletic teams and centests worth witnessing.

The pupils and teachers unanimously selected resolutions thanking the city sens whe subscribed he generously in providing the field for the school's athletic petivides.
